# Children and Young People Safeguarding Policy (C & YP)

## Introduction

Everyone working with children and young people (C & YP) has a responsibility for keeping them safe, irrespective of their role, whether they are paid members of staff or volunteers.

England Golf is committed to ensure that the sport of golf is one within which all participants can thrive in a safe environment and that all children and young people have an enjoyable and positive experience when playing golf.

Whilst children and young people are participating in golf activities in our care, Great Torrington GC has a responsibility to ensure their safety and wellbeing.

The Great Torrington GC recognises the policies of the National Governing bodies, as set out in the "England Golf Safeguarding Children and Young People Policy and Procedures".

The policy, and supporting procedures, set out a framework to fulfil our commitment to good practice and the protection of children and young people in our care.

## Key principles

- The welfare of children and young people is paramount.
- A child is defined by law in England and Wales as a person under the age of 18 years.
- All children and young people, regardless of their age, race, religion or belief, disability, gender identity or sexual orientation, have the right to protection from abuse.
- All concerns and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately.
- All children and young people have the right to be safe.
- All children and young people have the right to be treated with dignity and respect.
- The GREAT TORRINGTON GC will work with C & YP, their parents/carers and external organisations to safeguard the welfare of C & YP participating in golf.
- We recognise the authority of the statutory agencies and are committed to complying with Local Safeguarding Children Board Guidelines (LSCB), Working

Together under the Children Act 2004, and any legislation and statutory guidance that supersedes these.

- The GREAT TORRINGTON GC is committed to working in partnership with other key UK Golf Bodies to continually improve and to promote safeguarding initiatives across the sport.
- The GREAT TORRINGTON GC owes a legal duty of care to C & YP on their premises or engaged in their activities. That duty is to take reasonable care to ensure their reasonable safety and the duty is higher than it would be for adults.

## **Objectives**

The GREAT TORRINGTON GC aims to:

- Provide a safe environment for children and young people participating in golfing activities and try to ensure that they enjoy the experience.
- Ensure robust systems are in place to manage any concerns or allegations.
- Support adults (staff, volunteers, PGA Professionals, coaches, members and visitors) to understand their roles and responsibilities with regard to their duty of care and protection of children.
- Provide appropriate level training, support and resources for staff, volunteers & coaches to make informed and confident responses to specific safeguarding issues and fulfill their role effectively.
- Ensure that C & YP and their parents/carers are informed and consulted and, where appropriate, fully involved in decisions that affect them.
- Reassure parents and carers that all children and young people will receive the best care possible whilst participating in club activities and communicate Policy and Procedure to them through website/letter/consents.

## **Responsibilities and implementation**

The GREAT TORRINGTON GC will seek to promote the principles of safeguarding C & YP by:

- Reviewing their policy and procedures every three years or whenever there is a major change in legislation. Guidance from England Golf will be sought as part of the review process.

- Conducting a risk assessment of club activities with regard to safeguarding and take appropriate action to address the identified issues within suitable timescales.
- Using appropriate recruitment procedures to assess the suitability of volunteers and staff working with children and young people in line with guidance from England Golf.
- Following National Governing Body (NGB) procedures to report concerns and allegations about the behaviour of adults and ensuring that all staff, volunteers, parents and children are aware of these procedures.
- Directing staff, volunteers & coaches to appropriate safeguarding training and learning opportunities, where this is appropriate to their role.

## 1. Recruitment and training

The GREAT TORRINGTON GC will endeavour to ensure that all volunteers and staff working with children and young people are appropriate and suitable to do so, and that they have all the information they require to undertake their job effectively and appropriately.

Each role which involves an element of responsibility with regard to C & YP, particularly those involving the regular supervision of them, whether voluntary or paid, should be assessed by the recruiting body to establish which qualifications, checks and other requirements are necessary. These will include the following:

- An application form (**Appendix 1**)
- A self-disclosure form (**Appendix 2**)
- References from 2 people (**Appendix 3**)
- A signed Code of Conduct (**Appendix 4**)
- A Disclosure & Barring Service (DBS) check on people involved in 'regulated activity' with children (**Guidance on Regulated Activity & DBS- Appendix 16**)

Details of the requirements and the qualifications and checks of individuals will be recorded by the Club Welfare Officer/Secretary/Manager who will also hold copies of the necessary Safeguarding and Protecting Children (SPC) certificates. The nominated person will possess all relevant and appropriate contact details of all staff / volunteers and other relevant bodies.

All staff, volunteers & coaches will be offered access to appropriate child protection training. The GREAT TORRINGTON GC recommends attendance at the UK Coaching Safeguarding and Protecting Children (SPC) workshop and will ensure that all volunteers and staff who have significant contact with children attend. An online UK Coaching refresher course should be completed and repeated every three years for those involved in "Regulated Activity."

All staff, volunteers & coaches working with children and young people will be asked to read and become familiar with the GREAT TORRINGTON GC Safeguarding Policy and Procedures.

All staff, volunteers & coaches involved with children and young people will be asked to read the GREAT TORRINGTON GC Code of Conduct relevant to their role, and sign to indicate their understanding and agreement to act in accordance with the code. The code is linked to the GREAT TORRINGTON GC's Disciplinary Procedures. **(Codes of Conduct-Appendix 4,5,6)**

The GREAT TORRINGTON GC is committed to the fact that every child and participant in golf should be afforded the right to thrive through being involved in sporting activity for life, in an enjoyable, safe environment, and be protected from harm. The GREAT TORRINGTON GC acknowledges the additional vulnerability of some groups of children (e.g. disabled, looked after children, those with communication differences). The GREAT TORRINGTON GC will ensure that the environment is appropriate for the child, and tailored to their needs so that they have a positive experience of their sport without risk of harm.

## **2. Complaints, concerns and allegations**

- 2.1** If a player, parent/carer, member of staff or volunteer has a concern about the welfare of a C or YP, or the conduct of another child/young person or an adult (whether they are a parent, coach, member, or otherwise), these concerns should be brought to the attention of the Club Welfare Officer without delay. The person reporting the concern is not required to decide whether abuse has occurred, but simply has a duty to pass their concerns and any relevant information to the Welfare Officer. Please refer to Flowcharts 1 & 2 for further details (see below).
- 2.2** All concerns will be treated in confidence. Details should only be shared on a "need to know" basis with those who can help with the management of the concern.

**2.3** Concerns will be recorded on an Incident Report Form and sent to the England Golf Lead Safeguarding Officer and retained confidentially within the club. The England Golf Lead Safeguarding Officer can assist with completion of this form if required, tel: 01526 351824. **(Incident Report Form-Appendix 8)**

**2.4** The GREAT TORRINGTON GC will work with England Golf and other external agencies to take appropriate action where concerns relate to potential abuse or serious poor practice. The GREAT TORRINGTON GC disciplinary procedures will be applied and followed where possible.

**2.5 In the event of a C or YP making a disclosure of any type of abuse, the following guidance is given:**

- Reassure them that they have done the right thing to share the information
- Listen carefully
- Do not make promises that cannot be kept, such as promising not to tell anyone else
- Do not seek to actively question them or lead them in any way to disclose more information than they are comfortably able to: this may compromise any future action. Only ask questions to clarify your understanding where needed e.g. can you tell me what you mean by the word.....?
- Record what the child has said as soon as possible on an incident report form.
- You should explain to children, young people and families at the outset, openly and honestly, what and how information will, or could be shared and why, and seek their agreement.
- Parents or Carers should be informed if the allegation does not involve them.

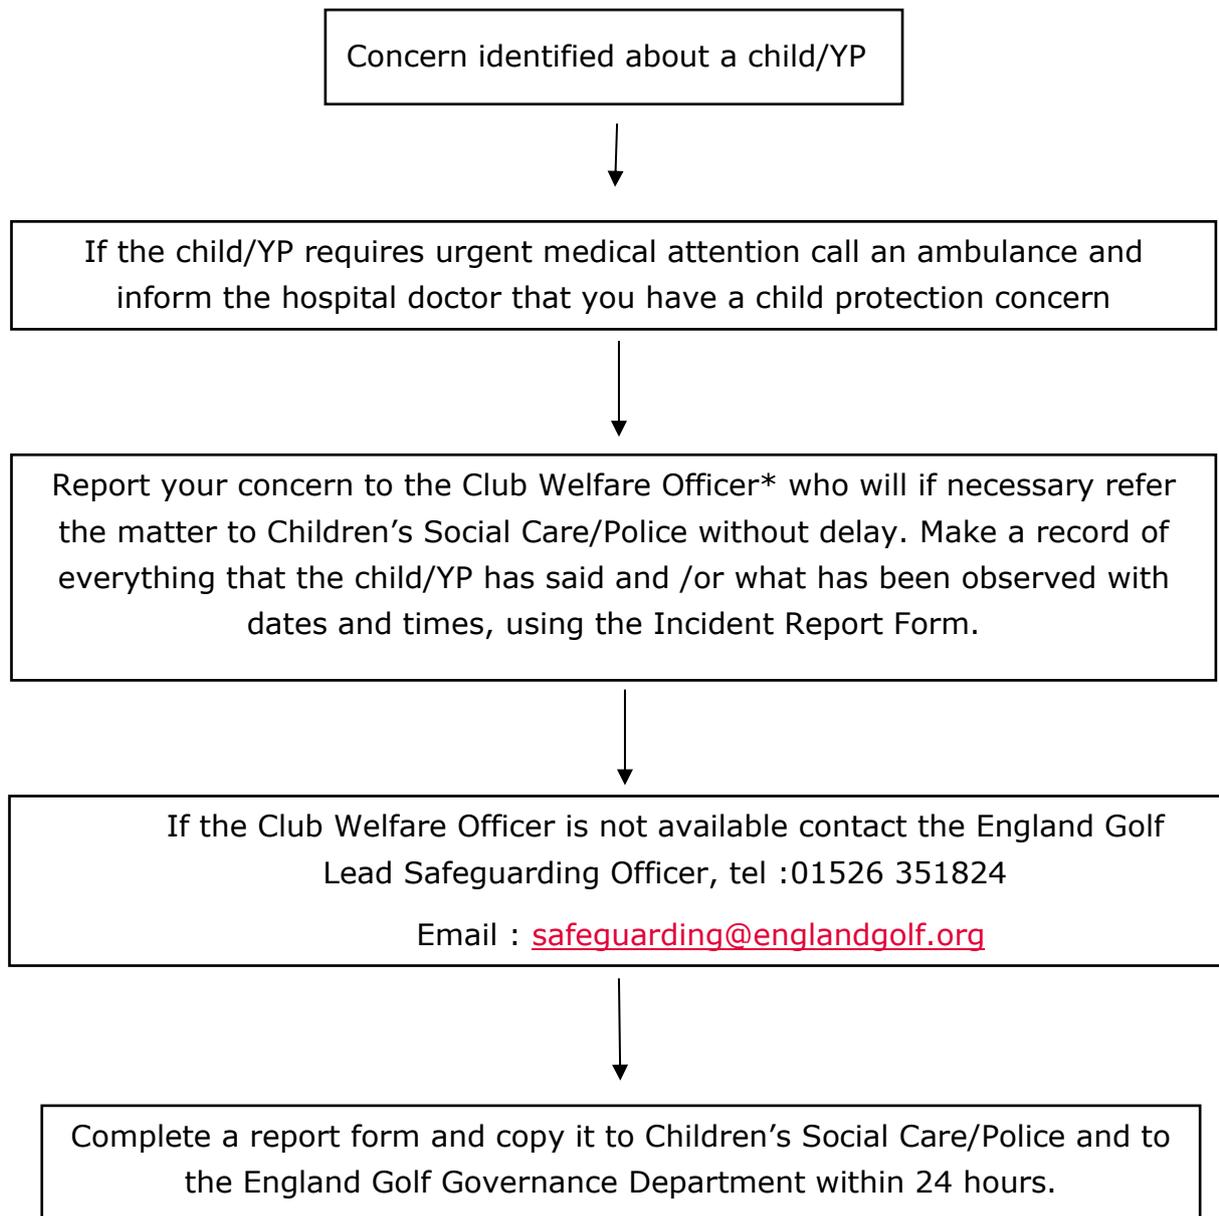

**2.6** The NSPCC Helpline is available to discuss concerns regarding poor practice and abuse in confidence with members of the public who need support. Those with concerns are encouraged to use this service. The Helpline number is 0808 800 5000.

**2.7** Safeguarding children and young people requires everyone to be committed to the highest possible standards of openness, integrity and accountability. The GREAT TORRINGTON GC supports an environment

where staff, volunteers, parents/carers and the public are encouraged to raise safeguarding and child protection concerns. Anyone who reported a legitimate concern to the organisation (even if their concerns subsequently appear to be unfounded) will be supported. All concerns will be taken seriously. **(Whistleblowing Policy-Appendix 15)**

### 3. FLOWCHART 1

**What to do if you are worried about what is happening to a child/young person outside of the Club (but the concern is identified through the child/young person's involvement in golf)**

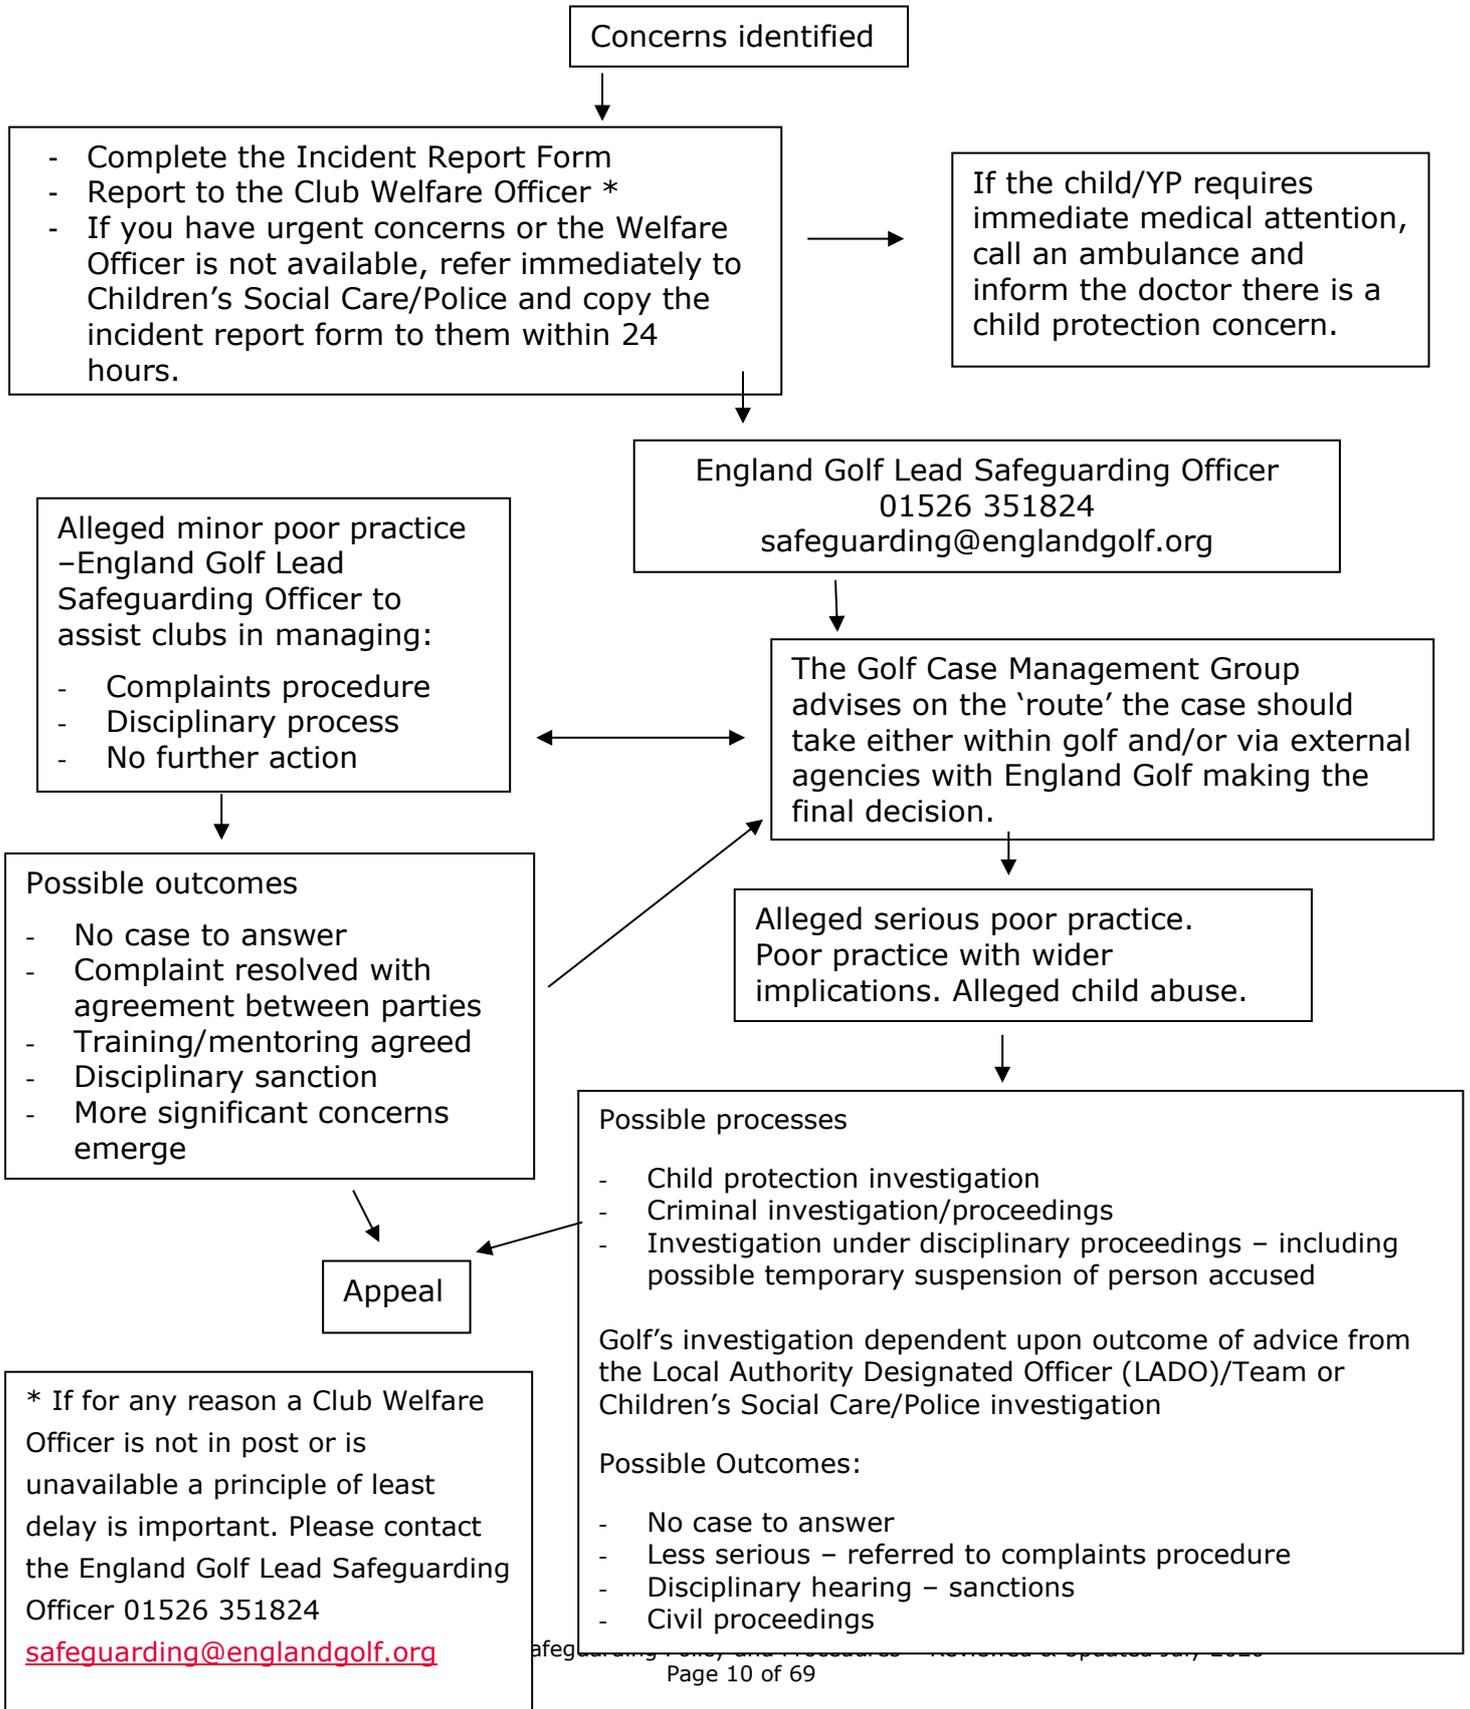

\* If for any reason a Club Welfare Officer is not in post or is unavailable a principle of least delay is important.

Please contact the  
England Golf Lead Safeguarding Officer  
01526 351824  
[safeguarding@englandgolf.org](mailto:safeguarding@englandgolf.org)

## FLOW CHART 2

**What to do if you are worried about the behaviour of any member, parent/carer, volunteer, staff, Professional, coach or official in golf or affiliated organisations**

## 4. Emergencies and incidents

**4.1** Parental Consent Forms will be obtained and retained by the GREAT TORRINGTON GC for all C & YP who are participating in events or activities, or attending coaching organised by the club. These forms will be treated in confidence and only shared with those who require the information they contain to perform their role effectively. **(Junior Profile and Parental Consent Forms-Appendix 10)**

**4.2** In the event of a child or young person requiring medical attention:

- The parents will be contacted immediately.
- In the event of failure to contact parents, the alternative emergency contacts will be used.
- The consent form will be consulted to establish whether parents have given their consent for a club representative to act in loco parentis.
- An adult club representative will accompany the child to seek medical attention, if appropriate, ensuring that they take the consent form with them.
- A record of the action taken will be made and retained by a club representative.

**4.3** **Where a parent is late in collecting their C or Y Person the following procedure will apply:**

- Attempt to contact the parent/carer using the contact details on the Parental Consent Form
- Attempt to contact them first, then the second emergency contact nominated on the Consent Form
- Wait with the young person(s) at the venue with, wherever possible, other staff/volunteers or parents.
- If no one is reachable, contact the Club's Welfare Officer for advice.
- If all attempts to make contact fail, consideration should be given to contacting the police for their advice.
- **Staff, volunteers and coaches should try to avoid:**
- Taking them home or to another location without consent.

- Asking them to wait in a vehicle or the club with them alone.
- Sending them home with another person without permission.

## 5. Supervision

- 5.1** During coaching sessions, coaches should conduct a risk assessment to inform decision making about appropriate supervision levels. Regardless of the recommended ratio of adults to participants, it is recommended that a minimum of two adults should be present. This ensures at least basic cover in the event of something impacting on the availability of one of the adults during the activity.
- 5.2** Parents may be encouraged to stay for coaching/competitions & other events where their children are of an age where greater levels of parental supervision are required.
- 5.3** Wherever possible adults will avoid changing or showering at the same time as C or YP but parents will be made aware that with limited changing room space there will be occasions when adults and C & YP may need to share the facilities.
- 5.4** Parents should be aware that if C or YP are left at a venue unsupervised, other than to attend specific coaching sessions, competitions, or other organised events, the club cannot accept supervisory responsibility.
- 5.5** Special arrangements will be made for away trips. Parents will receive full information about arrangements for any such trip and will be required to provide their consent for their child or young person's participation.  
**(Managing Young People on Away Trips-Appendix 13)**

## 6. Good practice guidelines

### 6.1 Behaviour of adults and Children and Young People (C & YP)

- 6.1.1** Adults who work with C & YP are placed in a position of trust in relation to them, and therefore it is important they behave appropriately and provide a strong positive role model for them, both to protect them and those working with them from false allegations of poor practice.

- 6.1.2** Codes of conduct will be issued to junior members & adults working with them to promote good practice.
- 6.1.3** The GREAT TORRINGTON GC requires that all staff and volunteers working with children and young people adhere to the standards set out in the Code of Conduct relevant to their role. Similarly, C & YP are expected to follow their own Code of Conduct to ensure the enjoyment of all participants and assist the club in ensuring their welfare is safeguarded.
- 6.1.4** The GREAT TORRINGTON GC requires that all staff and volunteers working with C & YP adhere to the guidelines on Managing Challenging Behaviour. **(Managing Challenging Behaviour-Appendix 7).**
- 6.1.5** Parents and carers should also work together with the club to ensure that the welfare of all C & YP is safeguarded. A sheet on "Parental Guidance" is provided to assist them in understanding how they can best assist the club **(Parental Guidance-Appendix 12)**

## **6.2 Adults and C & YP playing golf together**

One of the reasons for the popularity of golf is that the game is not restricted by ability, age or gender. Responsible interaction between adults and C & YP helps bring mutual respect and understanding and will be encouraged as part of club activities. Adults should always be aware however that age related differences do exist and conduct themselves in a manner that both recognises this and prioritises the welfare of any child or young person involved.

## **6.3 Physical Contact**

Physical contact with C or YP by coaches or volunteers should always be intended to meet the needs of the C or YP and the sport, not the adult. That is, to develop golf technique, to protect them from injury, to provide first aid or treat an injury. It should always take place in an open environment, and should not be made gratuitously or unnecessarily.

## **6.4 Transport**

- 6.4.1** The club believes it is primarily the responsibility of parents/carers to transport their C or Y Person(s) to and from events. It is not the responsibility of club volunteers or coaches to transport children and young people to and from events, activities, tournaments or matches.
- 6.4.2** The club may make arrangements for transport in exceptional circumstances, such as team events. Where this is the case, the written

permission of the parents of the relevant C or Y Person will be sought. The drivers used will be checked for their suitability to transport and supervise them (see Section 1 Recruitment and Training) and their insurance arrangements verified.

**6.4.3** Children and young people are often involved in competition. When taking young people away from their home club, consideration and planning needs to be paramount to ensure the duty of care for the young people within the team is fulfilled.

## **6.5 Photography/ Videoing**

**6.5.1** Permission will be sought from parents prior to the publication or use of any video or photographic images of their child/YP, for instance in newspapers, websites or for coaching purposes. The personal details of the child/YP will not be used in any promotional material. **(Photography Consent-Appendix 11)**

**6.5.2** Any press/official photographers attending events will be required to seek permission from the club before taking photographs and also to seek to gain permission from parents to use the images. **(Photography Policy – Appendix 20)**

## **6.6 Social Media**

Social media provides unique opportunities for the club to engage and develop relationships with people in a creative and dynamic forum where users are active participants. It is important that all staff, volunteers, coaches, officials/referees, board members, or anyone working on behalf of the club are aware of the club Social Media policy **(Social Media Guidance–Appendix 14)**

## **6.7 Anti-Bullying Procedures**

**6.7.1** We believe that every effort must be made to eradicate bullying in all its forms. Bullying can be difficult to define and can take many forms which can be categorised as;

- Physical – hitting, kicking, theft
- Verbal – homophobic or racist remarks, threats, name calling
- Emotional – isolating an individual from activities or a group

All forms of bullying include;

- Deliberate hostility & aggression towards an individual(s)
- A victim who is weaker and less powerful than the bully or bullies
- An outcome which is always painful & distressing for the victim

Bullying behaviour may also include;

- Other forms of violence
- Sarcasm, spreading rumours, persistent teasing
- Tormenting, ridiculing, humiliation
- Racial taunts, graffiti, gestures
- Unwanted physical contact or abusive or offensive comments of a sexual nature.

The Club and its Staff, Volunteers & Coaches will not tolerate bullying in any of its forms during club matches, competitions, coaching or at any other time while at the club. **(Anti-Bullying Policy -Appendix 21)**

**6.7.2** We will:

- Provide a point of contact where those being bullied can report their concerns in confidence – The Club Welfare Officer.
- Take the problem seriously.
- Investigate any and all incidents and accusations of bullying.
- Talk to bullies and their victims separately along with their parents/carers.
- Impose sanctions where appropriate
- Keep a written record of all incidents referred to England Golf and the action taken.
- Have discussions about bullying and why it matters.

## **6.8 Confidentiality**

**6.8.1** Details of all juniors will be kept on file in the office and will not be shared with a third party without parent/carer consent.

**6.8.2** All concerns/allegations will be dealt with confidentially by the club and information will only be shared on a need to know basis, either internally or externally depending on the nature/seriousness of the concern/allegation.

### 6.9 Changing rooms

The changing rooms are used by all members & visitors. Juniors will only be supervised if needed at club organised events. Parents will be made aware that adults use the changing rooms throughout the day for changing & showering. Where a parent/carer does not consent to their child/YP accessing the changing rooms, it is their responsibility to either supervise the child/YP while in the changing rooms or ensure that they do not use them.

## Appendix 7

### Managing Challenging Behaviour

Staff/volunteers who deliver sports activities to children/young people may, on occasions, be required to deal with a child/YP's challenging behaviour.

These guidelines aim to promote good practice and are based on the following principles:

- The welfare of the child/YP is the paramount consideration.
- Children/YP must never be subject to any form of treatment that is harmful, abusive, humiliating or degrading.
- The specific needs a child/YP may have (e.g. communication, behaviour management, comprehension and so on) should be discussed with their parent/carer and where appropriate the child/young person, before activities start. Where appropriate it may be helpful to record the details of any agreed plan or approach and provide copies to all parties.
- Every child/YP should be supported to participate. Consideration to exclude a child/YP from activities should apply only as a last resort and after all efforts to address any challenge have been exhausted, in exceptional circumstances where the safety of that child/YP or of other children/young people cannot be maintained.

### Planning Activities

Planning for activities should include consideration of whether any child/YP involved may need additional support or supervision to participate safely. This should address:

- Assessment of additional risk associated with the their behaviour
- Appropriate supervision ratios and whether numbers of adults should be increased
- Information sharing for all/volunteers on managing any challenging behaviour to ensure a consistent approach
-

- Specialist expertise or support that may be needed from carers or outside agencies. This is particularly relevant where it is identified that a child/YP may need a level of physical intervention to participate safely (see below).

### **Agreeing Acceptable and Unacceptable Behaviours**

Staff, volunteers, children, young people and parents/carers should be involved in developing an agreement about:

- what constitutes acceptable and unacceptable behaviour (code of conduct)
- the range of sanctions which may be applied in response to unacceptable behaviour.

This can be done at the start of the season, in advance of a trip away from home or as part of a welcome session at a residential camp. It should involve the views of children and young people to encourage better buy in and understanding.

Where challenges are anticipated in light, for example of a child/YP's impairment or other medical condition, a clear plan/agreement should be established and written down.

Ensure that parents/carers understand the expectations on their child(ren)/young person(s) and ask them to reinforce this ahead of any trip or activity.

### **Managing Challenging Behaviour**

**In responding to challenging behaviour the response should always be:**

- Proportionate to the actions you are managing.
- Imposed as soon as is practicable.
- Fully explained to the child/young person and their parents/carers.

In dealing with children/young people who display negative or challenging behaviours, staff and volunteers might consider the following options:

- Time out - from the activity, group or individual work.
- Reparation - the act or process of making amends.
- Restitution - the act of giving something back.

- Behavioural reinforcement - rewards for good behaviour, consequences for negative behaviour.
- De-escalation of the situation - talking with the child/young person and distracting them from challenging behaviour.
- Increased supervision by staff/volunteers.
- Use of individual 'contracts' or agreements for the child/young person's future or continued participation.
- Sanctions or consequences e.g. missing an outing or match
- Seeking additional/specialist support through working in partnership with other agencies.
- Temporary or permanent exclusion.

**The following should never be permitted as a means of managing a child/young person's behaviour:**

- Physical punishment or the threat of such.
- Refusal to speak to or interact with the child/young person.
- Being deprived of food, water, access to changing facilities or toilets or other essential facilities.
- Verbal intimidation, ridicule or humiliation.

Staff/volunteers should consider the risks associated with employing physical intervention compared with the risks of not employing physical intervention.

**The use of physical intervention should always:**

- Be avoided unless it is absolutely necessary to prevent a child/YP injuring themselves or others, or causing serious damage to property.
- Aim to achieve an outcome that is in the best interests of the child/YP whose behaviour is of immediate concern.
- Form part of a broader approach to the management of challenging behaviour.
- 
-

- Be the result of conscious decision-making and not a reaction to an adult's frustration.
- Employ the minimum force needed to avert injury to a person or serious damage to property - applied for the shortest period of time.
- Used only after all other strategies have been exhausted.
- Be recorded as soon as possible using the appropriate organisational reporting form and procedure.

Parents should always be informed following an incident where a coach/volunteer has had to physically intervene with their particular child/young person.

**Physical intervention must not:**

- Involve contact with buttocks, genitals and breasts.
- Be used as a form of punishment.
- Involve inflicting pain.

**Views of the child or young person**

A timely de-brief for staff/volunteers, the child/YP and parents should always take place in a calm environment following an incident where physical intervention has been used. Even children/YP who haven't directly been involved in the situation may need to talk about what they have witnessed.

There should also be a discussion with the child/YP and parents about the child/young person's needs and continued safe participation in the group or activity.

### Guidance for parents / carers

The GREAT TORRINGTON GC is delighted to welcome you and your child/young person to what we hope is the first of many events that you will be taking part in.

The positive effect of your support, as a parent, can't be overstated. Your behaviour has a real influence on the way your child/young person experiences golf.

First things first – why is your child/young person showing an interest in the sport? Is it to learn a new game? To hang out with their friends? Because they did it in school and liked it? Or because you play?

Please make sure that they're playing for their own reasons, not yours.

To enable us to provide the best possible experience for you and your child/young person, we kindly request that you read through the following guidance and complete the attached forms.

- Take an interest in your child/young person's activity and progress and be supportive.
- Familiarise yourself with the GREAT TORRINGTON GC Safeguarding Policy (attached).
- Familiarise yourself with
  - A. Codes of Conduct for parents, coaches, children and young people.
  - B. Transport Policy.
  - C. Changing Room Policy.
  - D. Photography, Videoing and the use of Social Media Policies.
- Complete the attached Parental Consent Form which will enable event organisers to cater for any particular needs that your child/young person may have (e.g. medical conditions and medications, allergies, learning difficulties etc.), as well as contact you in the unlikely event of an emergency.

- Go through the attached Code of Conduct with your child/young person and return a signed copy to the club/event organiser.
- Be punctual when dropping off and picking up your child/young person from coaching/ events. It is important to communicate with the club if collecting your child/young person after an event/coaching session may cause a problem.
- Introduce yourself to the adults involved in the supervision of your child/young person.
- When leaving your child/young person, make sure they have the necessary provisions for the day, including the ability to meet the requirements of changing weather conditions. Please ensure that your mobile is switched on when you are away from the club, so that you can be contacted in an emergency.
- Encourage your child/young person to take part and support club activities such as coaching & competitions.
- Help your child/young person to arrange golf with other juniors away from club organised activities so they have someone to play golf with.

As a parent/carer you are encouraged to:

- Discuss any concerns regarding the organisation of activities or the behaviour of adults towards your child/young person with the Club Welfare Officer, who will treat any concerns you or your child/young person may have in the strictest confidence
- England Golf Lead Safeguarding Officer is also available for advice: 01526 351824

### Managing Young People on Away Trips – GREAT TORRINGTON GC

The following provides good practice guidance for taking teams on an away fixture for a day (not overnight)

- appoint a team manager with clear roles and responsibilities
- appoint a designated safeguarding lead contact (not the team manager) who is appropriately trained and competent for the role and responsibilities
- establish well in advance where the fixture is
- ensure you have sufficient staff to manage and look after the young people
- obtain written permission from the parents/carers or carers for participation, transporting and supervising. An up to date photograph of each child/young person must be attached to the child/young person's consent form (for use in the event of any child/young person going missing)
- ensure that a welfare plan has been written and communicated to staff, participants and carers
- ensure all staff responsible for the young people have been DBS checked to the appropriate level and staff have had appropriate safeguarding training
- ensure that a risk assessment has been conducted
- ensure that there is a contact available e.g. a staff member who is not travelling away, who will act as the key contact point if required.

#### Accommodation

Whatever the accommodation, the team manager should ensure that the children/young people are safe. Discuss your code of conduct and discipline policy with the staff at the accommodation. All children/young people must know which rooms staff are in and how to contact them if required.

If rooms are equipped with satellite TV, inappropriate programmes may be available. It may be possible to have these programmes disconnected.

If rooms have fridges, all alcohol must be removed.

Check the accommodation policy for extras on bills, breakages and lost keys. All accommodation must be clean and with access to sufficient toilet and bathing facilities.

**It is not acceptable:**

- For children/young people to share a bed
- For male and female children/young people to share a room
- For staff to share a room with children/young people

Checks must be made to ensure that the needs of children/young people with disabilities are met. For wheelchair users, it is important to check access to the building, room and bathroom facilities

**Overnight Stays**

Those responsible for organising overnight stays should establish the purpose of the trip, confirm the dates, location, and duration. You should also conduct a risk assessment, identify suitable venues and facilities for both fixtures and accommodation and consider the following:

- Purpose of the trip.
- Who will be going, children/young people? Staff?
- How much will it cost? How much spending money is required?
- What insurance cover is required?
- Supervision of children/young people, both playing and non-playing time.
- Catering for all food requirements.
- Communication with parents (see above)
- Ensure a list of the team and staff is left, with contact number and address of the accommodation
- Ensure that there are emergency contact numbers for all the team and staff.
- An itinerary giving as much detail as possible.
- Emergency procedures and telephone contacts.
- Codes of contact for both staff and children/young people.

- Welfare and child protection procedures.

### Social Media Guidance - GREAT TORRINGTON GC

This guidance gives procedures that will support and underpin the use of social networking and other online services within GREAT TORRINGTON GC. It is important that all members, staff, volunteers, coaches, officials/referees, board members, or anyone working on behalf of GREAT TORRINGTON GC are aware of this policy and agree to the following terms.

#### Advice for Individual

- Do not accept children/young people as contacts on social networking sites if you hold a position of trust with children/young people.
- Where contact through social networking sites is used for professional reasons, restrict the communication to professional content and obtain written consent from parents prior to establishing contact.
- Include a third party in any communications to children, e.g. copy parents into communications.
- Use the privacy settings on the various sites to ensure that your content will only be viewed by appropriate people.
- Ensure that any content you place on a social networking site is age-appropriate. Do not use the site to criticise or abuse others.
- Know where to direct junior members and their parents for information.
- Know how to report concerns.
- Know how to keep data safe and secure. This should include the personal contact data of individuals, such as mobile numbers, email addresses and social networking profiles.

#### Advice for Children / Young People

- Consider carefully who you invite to be your friend online and make sure they are who you actually think they are.
- There are websites that offer advice about protecting yourself online, such as [www.ceop.gov.uk](http://www.ceop.gov.uk) and [www.childnet.com](http://www.childnet.com)
- Make sure you use privacy settings so that only friends can view your profile.

- Remember that anything you post on websites may be shared with people you don't know.
- Never post comments, photos, videos, etc., that may upset someone, that are untrue or that are hurtful. Think about whether you may regret posting the content at a later date.
- If you are worried or upset about something that's been posted about you, or by texts you receive from other juniors or adults involved with the club, raise this with your Club Welfare Officer. Alternatively contact your National Governing Body Lead Safeguarding Officer (England Golf 01526 351824). Do not suffer alone. You will be listened to and your concerns will be taken seriously.
- If you want to talk to someone anonymously, call Childline on 0800 1111, or contact them on the web at [www.childline.org.uk](http://www.childline.org.uk). You can also call the NSPCC on 0808 800 5000.

### **Advice for Parents**

- Make yourself knowledgeable about social networking platforms and how they work.
- Go on the internet with your child/young person and agree what sites are acceptable to visit. Regularly check that they are staying within the agreed limits.
- Encourage your child/young person to talk to you about what they have been doing on the internet.
- Make sure they feel able to speak to you if they ever feel uncomfortable, upset or threatened by anything they see online.
- Encourage children/young people to look out for each other when they're online. Explain that it's all part of staying safe and having fun together.
- Explain to children/young people that it's not safe to reveal personal information, such as their name, address or phone number on the internet. Encourage them to use a cool nickname rather than their own name.
- Attachments and links in emails can contain viruses and may expose children and young people to inappropriate material. Teach children/young people to only open attachments or click on links from people they know.

## **Further Advice for Parents of Young Golfers**

- If you are concerned about any texts, social networking posts or any other use of communication technology by members of the golf club, volunteers or members of staff, raise this with the Club Welfare Officer. They will look into the matter and take appropriate action. Alternatively contact England Golf Lead Safeguarding Officer Tel 01526 351824.
- In addition to reporting concerns to England Golf (National Governing Body), you should immediately report possible online abuse to the Child Exploitation and Online Protection Centre (CEOP) or the police. Law enforcement agencies and the internet service provider may need to take urgent steps to locate a child/young person and/or remove the content from the internet. Where a young person may be in immediate danger, dial 999.
- Do not post/send negative or critical comments or messages about other children/young people in the club, staff or volunteers. If you have concerns about a person, these should be raised using appropriate channels within the club and not using social media.
- If you wish to speak to an external organisation for advice, you can contact the NSPCC helpline on 0808 800 5000.

## Appendix 15

### **Whistleblowing Policy - GREAT TORRINGTON GC**

Safeguarding children, young people and adults at risk requires everyone to be committed to the highest possible standards of openness, integrity and accountability.

As a club, we are committed to encouraging and maintaining a culture where people feel able to raise a genuine safeguarding concern and are confident that it will be taken seriously.

You may be the first to recognise that something is wrong but feel that you cannot express your concerns as this may be disloyal to your colleagues or you may that you will be the victim of harassment or victimisation as a result.

Children, Young People and Adults at risk need someone like you to safeguard their welfare.

#### **What is whistle blowing?**

In the context of safeguarding, "whistle blowing" is when someone raises a concern about the well-being of a child/young person or an adult at risk.

A whistle blower may be:

- a player;
- a volunteer;
- a coach;
- other member of staff;
- an official;
- a parent;
- a member of the public.

#### **Reasons for whistle blowing:**

Those involved in sport must acknowledge their individual responsibilities and bring matters of concern to the attention of the relevant people and/or agencies. Although this can be difficult it is particularly important where the welfare of children/young people may be at risk.

Each individual has a responsibility for raising concerns about unacceptable practice or behaviour:

- To protect or reduce risk to others
- To prevent a problem from becoming worse or more widespread
- To prevent becoming implicated yourself

**What prevents those individuals from whistle blowing:**

- Starting a chain of events that they have no control of
- Disrupting work or training
- Fear of getting it wrong or making a mistake
- Fear of repercussions
- Fear of damaging careers
- Fear of not being believed.

If a child/young person or an adult at risk is in immediate danger or risk of harm, the police should be contacted by calling 999.

Where a child/young person or an adult at risk is not in immediate danger the first person you should report your suspicion or allegation to is your Club Welfare Officer. If for any reason you cannot, or do not wish to report the matter to your Club Welfare Officer please contact the England Golf Lead Safeguarding Officer on 01526 351824 or email [safeguarding@englandgolf.org](mailto:safeguarding@englandgolf.org)

Alternatively you can contact the Local Authority Designated Officer (LADO) or the NSPCC on 0808 800 5000.

**Information to include when raising a concern**

The whistle blower should provide as much information as possible regarding the incident or circumstance which has given rise to the concern, including:

- their name and contact details (unless they wish to remain anonymous);
- names of individuals involved;
- date, time and location of incident/circumstance; and
- whether any witnesses were present.

GREAT TORRINGTON GC assures that all involved will be treated fairly and that all concerns will be properly considered. In cases where suspicions prove to be unfounded, no action will be taken against those who report their concerns, provided they acted in good faith and without malicious intent.

### **What happens next?**

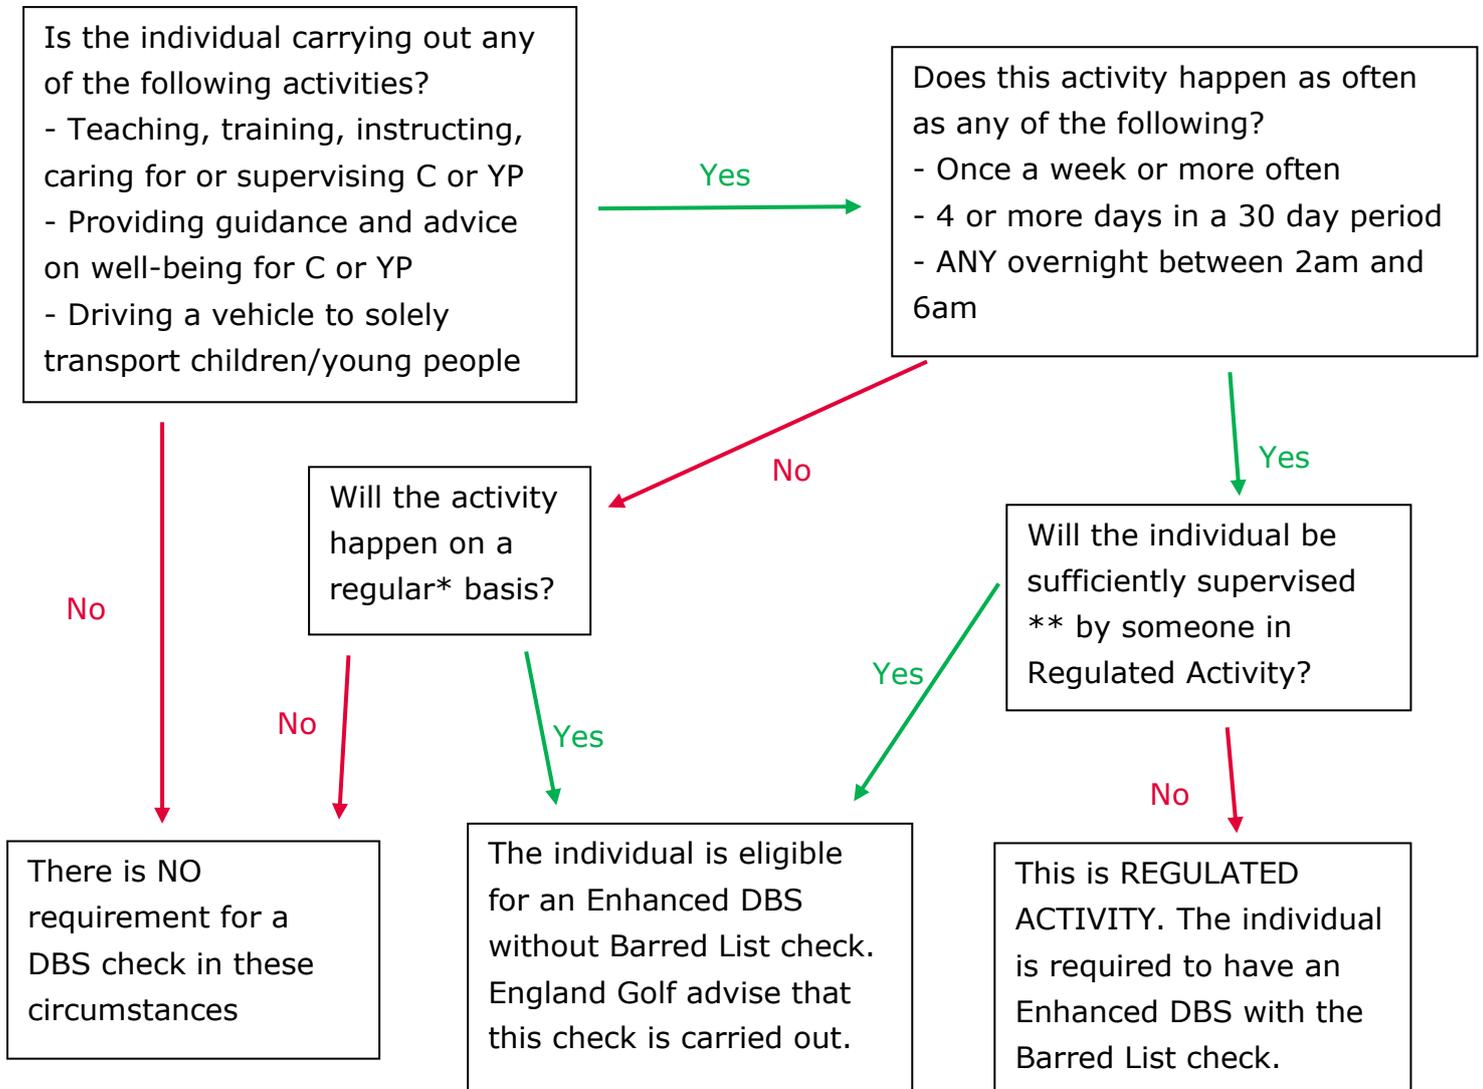

- You should be given information on the nature and progress of any enquiries – this may vary depending on the nature and result of the investigations.
- All concerns will be treated in confidence. During the process of investigating the matter, every effort will be made to keep the identity of those raising the concern to the minimum number of individuals practicable.
- Your Club has a responsibility to protect you from harassment or victimisation
- No action will be taken against you if the concern proves to be unfounded and was raised in good faith
- Malicious allegations may be considered a disciplinary offence

The Public Interest Disclosure Act 1998 protects whistle blowers from victimisation, discipline or dismissal where they raise genuine concerns of misconduct or malpractice.

If the whistle blower does not believe that the concern has been dealt with appropriately and wishes to speak to someone outside the club or the England Golf Governance Department the NSPCC Whistleblowing advice line should be contacted on 0800 028 0285 or by emailing [help@nspcc.org.uk](mailto:help@nspcc.org.uk).

### England Golf DBS Flowchart

\* Regular is open to definition - it is suggested that annually would be insufficient but an argument for eligibility could be made if the individual does an activity once a month or a number of times over the summer period, for example.

\*\*Supervision must be 'reasonable in all the circumstances to ensure the protection of children'. It must be 'regular and day to day' (supervision must not be concentrated in first few weeks and then tail off). Supervision must be undertaken by someone who is in Regulated Activity themselves.

## Appendix 17

### Categories of child abuse

**Abuse can happen on any occasion or in any place where children and young people are present.**

Child abuse is any form of physical, emotional or sexual mistreatment or lack of care that leads to injury or harm. Children/young people may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by a stranger. Children/young people can be abused by adults, either male or female, or by other children or young people.

**Safeguarding is defined as:**

- **Protecting children from maltreatment;**
- **Preventing impairment of children's health or development;**
- **Ensuring that children are growing up in circumstances consistent with the provision of safe and effective care; and**
- **Taking action to enable all children to have the best life chances.**

Child Protection is the activity that is undertaken to protect specific children/young people who are suffering or are likely to suffer significant harm.

There are 4 main types of abuse: neglect, physical abuse, sexual abuse and emotional abuse. Children and young people can also be harmed through poor practice and bullying within a sport setting.

**Neglect** is when adults consistently or repeatedly fail to meet a child/young person's basic physical and/or psychological needs which could result in the serious impairment of the child/young person's health or development e.g. failure to provide adequate food, shelter and clothing; failing to protect a child/young person from physical harm or danger; or the failure to ensure access to appropriate medical care or treatment. It may also include refusal to give love, affection and attention.

Examples in sport could include a coach or supervisor repeatedly failing to ensure children/young people are safe, exposing them to undue cold, heat or extreme weather conditions without ensuring adequate clothing or hydration; exposing them to unnecessary risk of injury e.g. by ignoring safe practice guidelines, failing to ensure the use of safety equipment, or by requiring young people to participate when injured or unwell.

**Physical abuse** is when someone physically hurts or injures children/young people by hitting, shaking, throwing, poisoning, burning, biting, scalding, suffocating, drowning or otherwise causing harm. Physical harm may also be caused when a parent or carer feigns the symptoms of, or deliberately causes, ill health to a child whom they are looking after.

Examples in sport may be when the nature and intensity of training or competition exceeds the capacity of the child/young person's immature and growing body; where coaches encourage the use of drugs or harmful substances to enhance performance or delay puberty; if athletes are required to participate when injured; or when sanctions used by coaches imposed involve inflicting pain.

**Sexual abuse** is where children and young people are abused by adults (both male and female) or other children/young people who use them to meet their own sexual needs. This could include full sexual intercourse, masturbation, oral sex, anal intercourse, kissing and sexual fondling. Showing children/young people pornographic material (books, videos, pictures) or taking pornographic images of them are also forms of sexual abuse.

Sexual abusers groom children/young people, protective adults and clubs/organisations in order to create opportunities to abuse and reduce the likelihood of being reported.

Examples in sport may include coaching techniques involving physical contact with children/young people creating situations where sexual abuse can be disguised and may therefore go unnoticed. The power and authority of, or dependence on, the coach if misused, may also lead to abusive situations developing. Contacts made within sport and pursued e.g. through texts, Facebook or Twitter have been used to groom children/young people for abuse.

**Child Sexual Exploitation** is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity

(a) in exchange for something the victim needs or wants, and/or

(b) for the financial advantage or increased status of the perpetrator or facilitator.

The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.

**Emotional abuse** is the persistent emotional ill-treatment of a child/young person so as to cause severe and persistent adverse effects on their emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person.

It may feature age or developmentally inappropriate expectations being imposed on children/young people or even over protection of them. It may involve causing children to feel frightened or in danger by being constantly shouted at, threatened or taunted which may make the child/young person very nervous and withdrawn. Some level of emotional abuse is involved in all types of ill-treatment of a child/young person.

Examples in sport may include children/young people who are subjected to constant criticism, name-calling, sarcasm, bullying, racism or pressure to perform to unrealistically high expectations; or when their value or worth is dependent on sporting success or achievement.

Children and Young People Safeguarding Policy and Procedures – Reviewed & Updated July 2020

## Appendix 19

### **Safeguarding Children and Young People – A Short Guide for Club Members**

GREAT TORRINGTON GC is committed to ensure that the sport of golf is one within which children and young people involved can thrive and flourish in a safe environment and that all children, young people and adults at risk have a fun, safe and positive experience when playing golf.

GREAT TORRINGTON GC is an affiliated member of England Golf and follows the England Golf Safeguarding Children and Young People Policy and procedures.

You might be thinking “**What has safeguarding got to do with me?**”

Government guidance makes it clear that ‘Safeguarding is everyone’s responsibility’.

Anyone who has a negative experience of sport at a young age is less likely to become a regular long-term participant. It’s important for the future of your club and the sport as a whole that children and young people have an enjoyable experience.

#### **All club members have a part to play in making that happen.**

All adults should contribute to the club meeting its overall duty of care, be aware of our club’s safeguarding policy, and know what to do if they are concerned about a young person.

GREAT TORRINGTON GC asks our members to

- **Familiarise yourself with the GREAT TORRINGTON GC Safeguarding Policy.**

*The full copy of the GREAT TORRINGTON GC Safeguarding Children and Young People Policy is available on our website - [www.torringtongolfclub.co.uk](http://www.torringtongolfclub.co.uk)*

To name but a few, there are sections on:

Complaints, concerns and allegations; emergencies and incidents; good practice guidelines; there are codes of conduct for coaches and volunteers, young golfers and parents; incident and accident forms; use of changing rooms; social media; whistleblowing; a short guide for members; photography and anti-bullying.

## **What should I do if I'm concerned about a child or young person?**

A concern may involve the behaviour of an adult towards a child/young person at the club, or something that has happened to the child outside the club.

Children and young people may confide in adults they trust, in a place where they feel comfortable.

An allegation may range from verbal bullying, to inappropriate contact online, to neglect or emotional abuse, to physical or sexual abuse.

If you are concerned about a child/young person, it is not your responsibility to investigate further, but it is your responsibility to act on your concerns and share them.

Pass the information to Great Torrington GC Welfare Officer who will follow the club's Safeguarding procedures.

### **Photography Policy – GREAT TORRINGTON GC**

Whilst the GREAT TORRINGTON GC does not seek to prohibit those with a legitimate interest in filming or photographing children/young people participating in sporting activities it recognises that such activity should take place within an appropriate policy framework.

This policy applies at any GREAT TORRINGTON GC event at which young people under the age of 18 are participating.

#### **Policy**

The GREAT TORRINGTON GC policy is as follows;

The welfare of children/young people taking part in golf is paramount.

Children/young people and their parents/carers and/or the GREAT TORRINGTON GC should have control over the images taken of young people at GREAT TORRINGTON GC events.

The golfing activity should not be misused purely for the purpose of obtaining images of children/young people.

Images should not be sexual or exploitative in nature or open to misinterpretation and misuse.

The identity of children/young people in a published image should be protected so as not to make them vulnerable. (If the name of an individual golfer is published with their photograph to celebrate an achievement other personal contact details should never accompany the picture).

#### **Procedure**

##### **Official/professional photographers and those using 'professional' equipment**

The GREAT TORRINGTON GC requires that anyone wishing to take photographic or video images, at any GREAT TORRINGTON GC event at which children/young people under the age of 18 are participating, in an official or professional capacity or using 'professional' camera or video equipment registers their details

with the GREAT TORRINGTON GC Championship Office. This must be done before carrying out any such activity on the golf course (including the practice ground) or surrounding area or in the clubhouse.

Once registered an identification label will be issued as confirmation of registration. Anyone found using photographic or video equipment without an appropriate identification label will be questioned.

The GREAT TORRINGTON GC reserves the right to refuse to grant permission to take photographic or video images if it sees fit.

**Photographers must obtain consent** from parents to take and use their child/young person's image.

### **Parents/carers/family members of competitors**

Parents, carers and family members taking occasional informal photographs with mobile devices of their own child, ward or family member at a GREAT TORRINGTON GC event do not need to register their details with the GREAT TORRINGTON GC.

If such photographs include other children/young people (eg at a prize presentation) they should not be publicly displayed or published on social media unless the prior permission of the parents/carers of all the children/young people in the photographs has been obtained.

### **Concerns**

If competitors or parents have any concerns they should raise them by contacting the GREAT TORRINGTON GC Championship Office immediately.

The GREAT TORRINGTON GC will notify the relevant authorities should it have any doubts as to the authenticity of any individual taking photographs.

## **Support to the child/young person**

- children/young people should know who will listen to and support them
- systems should be established to open the door to children/young people wishing to talk about bullying or any other issue that affects them
- potential barriers to talking (including those associated with a child/young person's disability or impairment) need to be identified and addressed at the outset to enable them to approach adults for help
